

Flossing bristles gently clean areas hard to reach

### 3D EMBOSSED

PBT Bristles are designed to remove maximum plaque very effectively due to multi-touch contacts to tooth surfaces.

### PBT bristles

are more durable and less water-absorbent than nylon bristles and outlast them by about 30% .

### SILVER INFUSED

with bristles to naturally minimize bacterial growth and keep bristles clean between uses.

Long and slim flossing bristles

Short-rounded bristles

### JADE INFUSED

Enjoy the unprecedented, professional-like, cleaning experience of all-in-one Multi-Action Solodent SILVER SERIES Toothbrushes.
